Re: WC Docket No. 01-92; WC Docket No. 07-135

Dear Ms. Dortch:

This is to inform you that on October 20, 2010, the undersigned representing USTelecom, met with Margaret McCarthy, Policy Advisor to Commissioner Copps, in connection with the proceedings identified above. In this meeting, USTelecom urged that the Commission move forward with the adoption of rules to address the growing arbitrage schemes of Phantom Traffic and Traffic Pumping. USTelecom reviewed the long procedural history of these issues before the Commission and discussed previously-filed proposals for Commission action.

Pursuant to Commission rules, please include a copy of this filing in the above-referenced dockets.

Sincerely,

Glenn Reynolds
